

North End BIZ

Nomination Committee Report, 2019

The purpose of the Committee was to research and recommend member business representatives that it felt had a unique commitment to the BIZ area, and relevant skills and experience to bring to the board level. The members listed below demonstrate long term vision to the BIZ's future direction; a knowledge of the area's unique character and its challenges; and expertise in board structure and roles. They have all confirmed that they will volunteer on the board of directors.
