

**Need help getting your kitty spayed or neutered?**

***We want to help!***

Our goal is to create an easy low stress process for providing veterinary services for  
low income cat owners and their pets.

Cats will be spayed or neutered, tattooed, vaccinated and treated for parasites (if necessary.)

We can help any kitties over 12 weeks of age, don't delay!

Price is within your budget, as low as \$5!!!

Don't have transport? No problem!

**We Are Here For The Animals, We Are Here For You**
